BREWERY + DISTILLERY

Year-Round Canned Beers

Boom Dynamite IPA

**Grapefruit-Mango
IPA**
7% ABV
60 IBUs

We made this unique IPA by combining citrusy and fruity hops with grapefruit and mango. Grapefruit accentuates the hops natural essence and gives the bitterness a pithy edge. The mango balances it all out with a juicy finish.

Popcycle Blonde

**Raspberry-Lemon
Blonde Ale**
4.5% ABV
9 IBUs

An ode to the frozen treat with raspberries and lemons that combine for a poolside sipper. Popcycle Blonde is light, sweet, and thirst quenching. Made for hot days and good times. Consider it the "Rosé of Beer."

Hoppy IPA

**West Coast
IPA**
7.1% ABV
58 IBUs

An old school American IPA bringing a decadent floral hop aroma that comes along with pine and grapefruit. The hops flow into a soft, slightly sweet malt background balanced by a smooth bitterness that's classic and timeless.

89Ale

**Amber
Beer**
5.6% ABV
26 IBUs

Our interpretation of a historical American style. 89Ale has notes of caramel, toffee, and a toasty maltiness. This malt forward beer is finely tuned with a rustic and earthy hop profile bringing a hint of bitterness.

All cans available is cases of 6 x 4 packs. Distributed by RNDC (Republic National Distribution Company)
